

The EV Show Horse committee met on October 8th and is pleased to submit the following summary of business.

Young Ambassador	The Show Horse Young Ambassador, Charlotte, has been engaging with the Committee and has many ideas that they are interested in contributing. With the Show Horse season commencing, Show Horse competitors can expect to see the Young Ambassador join us for some of our upcoming events as she also works with the other Ambassadors in finalising some preparations for the 2025 Young Ambassador Program.
State Team	Entries opened up in early October and rider/horse packs are currently being finalised.
Barastoc	Barastoc entries are expected to open up in early November. Details about the event will follow within the coming weeks.
Show Horse Nationals	With the Show Horse Nationals returning to WPNEC in 2025, planning is already underway. Despite being the early days with very few updates to be shared presently, there will be additional information available about the event in early 2025.
EV Annual Awards & Show Horse	The Committee will commence a review of the existing criteria and nomination forms for the 2025 EV Annual Awards. Additional details will be shared once the criteria have been reviewed, with information about eligible events to be available before the end of the year.
Judges' Seminar	Preliminary dates have been reviewed with the 2024 seminar expected to be held at the end of November/early December. Additional details will follow shortly once the date have been confirmed.
December Show	The Off the Track & Open December Show schedule is currently being finalised, with additional details to follow in the coming month. There will be two rings organised for the event with a range of OTT, Open, Newcomer, and Owner Rider/Home Produced Classes.
